Black Wine Subscription Box Celebrates Two Years!

Washington, D.C. – November 23, 2018 - Richmond, VA-based Black Girls Wine (BGW) celebrated its second anniversary with an elegant, intimate wine experience featuring two prominent black wine pros and two black, female chefs local to the DC Metro Area.

The BGW Anniversary event held Saturday, October 20 at Material World Boutique in Northeast Washington DC hosted an intimate crowd of 50+ wine lovers. The affair feature two figures at the top of the *Who's Who?* list of African American winemakers & influencers: Flo Wine founder and Jazz Musician Marcus Johnson and Benita Johnson, co-founder of the Vine Wine Club.

Attendees enjoyed free wine samples, wine-paired hors d'oeuvres, music and discounted shopping while networking with wine pros, fellow wine lovers, entrepreneurs, influencers and media.
